In reviewing your financial aid file at Irvine Valley College for the 2008-2009 academic year, we noted that you are applying for and/or receiving federal financial aid at more than one school. **FEDERAL FINANCIAL AID REGULATIONS MANDATE THAT STUDENTS MAY RECEIVE AID AT ONLY ONE SCHOOL PER TERM.** To continue processing your request for financial aid, we need the following information:

**Please check the appropriate items below:**

I plan to receive financial aid at IVC during the 2008-2009 academic year.

I plan to enroll at IVC during the

Fall  Spring  Summer semester(s)

I plan to receive aid at another college/school during the 2008-2009 academic year.

Name of other school: \_\_\_\_\_

I plan to enroll there during the

Fall  Winter  Spring  Summer term(s)

I am unsure where I will be receiving aid but am aware that I can receive financial aid from only one school at a time. I will notify IVC once I have decided. **NOTE: UNTIL YOU NOTIFY OUR OFFICE, YOUR FILE WILL BE IN PENDING STATUS AND YOU WILL NOT BE AWARDED.**

**Consortium Agreement:** If you are concurrently enrolled at IVC and another college, you may receive financial aid at *one* school for the total units in which you are enrolled. You must designate one school as the “home” campus and one school as the “host” campus. You can receive financial aid only from the “home” campus. Please contact the Financial Aid Office for details and the appropriate form.
