Byte by Byte

- **Academic Reserves has grown!** With the Bookstore’s support, IVC’s library reserves now has more textbooks available to students for use in the library. This means shorter wait times (if any) and more study time for students! Valid photo I.D. required and late fees apply.

- **EOP&S book processing**—In mid-Fall 2011, EOPS textbook cataloging and student checkouts moved to the library. Since then the current book inventory has grown to over 4,000 items while serving 500+ students. All EOPS textbook orders require EOP&S approval. Call: (949) 451-5243 for information.

- **Need a tutor?** The Student Success Center combines the Learning Center and the Computer Center in BSTIC110. This space is open to all students currently enrolled in computer classes, distance education classes or in Tutoring (TU) 301. Please call (949) 451-5471 for more information.

- **New Book List** is a newly added section in “Library Bytes” (page 2). We hope you enjoy the new titles!

- **Open Reserves coming soon:** No photo I.D. will be required when using Open Reserves. These older editions of textbooks will be for browsing and study and will be located on the 2nd floor.

Greetings from the Dean of Online Education & Learning Resources

Welcome to Spring 2013!

The library staff have been working hard to enhance our services to faculty, staff, and students. As you will see in this edition of Library Bytes, we have increased our library reserve section, our service to the EOP&S program, and our library holdings. We hope you will make use of some of our services, such as LibGuides and Films on Demand. Visit the library home page to explore the range of services and resources available to you through your campus library. On behalf of our librarians and library staff, I want to wish you a very successful and fulfilling semester.

Paralegal 201, 206A, and 202 students make use of IVC Library’s new law section.

Assistant Professor June McLaughlin, Esq. heads up the Paralegal Studies/Certificate program. Students interested in entering the field of law should contact Professor McLaughlin at jmclaughlin12@ivc.edu or (949) 451-5378.

The IVC Library supports the Paralegal Program with its own LAW library on the 2nd floor! Students can use it whenever the library is open.

Students Survey Comments

Student: When all the computers are being used, it would help if library staff would walk around to make sure people are doing school work and not playing games or on Facebook.

Library: If you are having difficulty accessing a computer to do school course work, please contact a library staff member for assistance.

Student: Library staff should make noisy people be quiet.

Library: Please do not wait until you exit the library to tell staff it is too noisy. It will make your visit more pleasant if you notify staff of loud patrons as soon as you realize the noise will continue beyond a short outburst.

Student: The staff at the front desk have little knowledge regarding computers, books, etc.

Library: The library staff at the front desk work very hard to meet the students/patrons needs, however, book, database and research questions should be taken to the Librarian at the Reference Desk on the 2nd floor. Some computer related questions can be taken to the Student Success Center in BSTIC 110.

Student: The vending machines are always out of scantrons.

Library: Please plan a day ahead (or so) and purchase your scantrons from the bookstore at their new B100 location. Their convenient hours, 7:30 a.m.—7:30 p.m., M-Th, are specifically designed to meet students’ scantron needs.

Student: The printers are always breaking!

Library: It is important to remember: do not print more than 10 pages (b&w) at a time; 5 pages at a time for color. Click the print button only once. Clicking the print button more than once can cause the system to crash.

Library: The entire library staff enthusiastically welcomes one and all to Spring 2013! See you in the library!

What are LibGuides?

The IVC Library has started a new online content management system called “Libguides”. These are guides where students, faculty, and staff can gain direct access to library resources, documents, and other Information. Through Libguides, librarians can feature especially relevant resources for specific assignments and projects. In addition, we have four subject guides available and are creating more in the coming months:

⇒ Kinesiology, Health & Athletics
⇒ Career and Occupations
⇒ IVC Student Athletes Guide
⇒ Paralegal Research

Please check out our LibGuides at the link below:
