Curriculum

The program in fine arts is an interdepartmental major in the fine and performing arts: music, dance, theatre, speech, visual arts, and photography.

Major

The degree in Fine Arts is intended to provide the student with an arts education emphasizing the diversity and yet commonality within the traditional and nontraditional arts. To the extent that we recognize a distinct “artistic” capacity or form of perception—different from analysis and apart from language—we assume that the artist may realize similar ends in a variety of media and that all the arts are in this sense profoundly interconnected. The fine arts major provides students with the opportunity to seek this interconnection. The diversity and flexibility of the major make it appropriate for a range of career alternatives, especially within fields demanding a high degree of expressive and creative ability. The major is also a fine choice for the general arts student who does not want to specialize within a single media at the lower-division level.

Associate in Arts Degree in Fine Arts

Students must complete a minimum of 60 units of credit, including the courses in the major and general education requirements (page 57), with an overall GPA of 2.0 or better. A minimum of 12 units must be completed at Irvine Valley College. See pages 54-55 for further information, including other options for fulfilling the major requirement.

Transfer Preparation

Courses that fulfill major requirements for an associate degree at Irvine Valley College may not be the same as those required for completing the major at a transfer institution offering a baccalaureate degree. Students who plan to transfer to a four-year college or university should (1) refer to the transfer section of this catalog, (2) consult the catalog of their prospective transfer institution (see the IVC Transfer Center for assistance), and (3) schedule an appointment with an IVC counselor to develop a plan of study before beginning their program. It may be helpful to meet with the department faculty at IVC.
