School of Fine Arts

**Dean:** Roger Owens, PhD

**Academic Chair:** Edwin Tiongson

**Faculty:** Eric Garcia, April Griffin, Craig Grossman, Sheila Grossman, Gary Rybold, Edwin Tiongson, Matt Volz

## Curriculum

The speech and forensics curriculum emphasizes the ability to speak and perform in front of audiences. Courses teach students the skills required for presenting a speech—analyzing an audience, listening, coping with fear, using visual aids—as well as the skills they will need to prepare a speech—researching a topic, analyzing arguments and texts, and organizing and outlining material. Courses offered through the program meet transfer requirements for general education, and they may be applied toward an Associate in Arts degree with a major in speech/forensics.

## Major

Students majoring in speech/forensics at the lower-division level concentrate on learning the basics of public speaking and performance.

## Career Options

Speech majors learn to communicate well orally and gain the capacity to think critically and analytically. Thus students anticipating careers in law, public service, education, business, or communications may find the major appropriate. Because oral, analytical, and organizational skills are fundamental to most occupations, this major may also be appropriate for students whose career decisions are not yet determined.

## Associate Degree

### Associate in Arts Degree in Speech

Students must complete a minimum of 60 units of credit, including the courses in the major (“Major Requirements”) and general education requirements (pages 43-49), with an overall GPA of 2.0 or better, and a grade of “A,” “B,” “C,” or “P” in all courses to be counted toward the major. A minimum of 12 units must be completed at Irvine Valley College. See pages 34-35 for further information.

### Transfer Preparation

Courses that fulfill major requirements for an associate degree at Irvine Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC counselor to develop a plan of study before beginning their program. It may be helpful to meet with the department faculty at IVC.

## Speech and Debate Team

The Irvine Valley College Speech and Debate Team is one of the most respected and accomplished teams in the nation, competing against colleges and universities throughout the United States. Over the past 15 years, the team has placed in the top three at 12 state championships, while winning 11 league championships. In this decade, the team was crowned the national champions in the community college division of the National Parliamentary Debate Association for seven years. The team has an international reputation and has hosted debate teams from Europe and Asia 13 times. The team has traveled several times to China for debate demonstrations, competition, and study abroad programs. The coaching staff takes pride in developing students to become better speakers and better thinkers. All majors are welcomed and encouraged to join. Interested students may call co-director Gary Rybold at (949) 451-5417 or co-director Edwin Tiongson at (949) 451-5346.
