

UC IRVINE – School of Social Ecology Transfer Major Advisement

Note: students are responsible for the current major requirements. This guide sheet is based upon university course articulation and catalog information at the time of publication, and is subject to change without notice. It is advisable to consult with a counselor once a semester for any changes and review www.assist.org for new information.

The School of Social Ecology is a unique interdisciplinary academic unit spanning the environmental, social, behavioral and health sciences, as well as the relationship between law and society. The school is comprised of the Departments of Criminology, Law and Society; Environmental Health Science and Policy; Psychology and Social Behavior; and Planning Policy and Design. **IGETC** is recommended for the following majors.

B.S. Applied Ecology

Preference will be given to junior-level applicants with the highest grades overall who have satisfactorily completed one year of general chemistry (with lab).

Lower-division requirements

BIO 93, 94/94L, 99
CHEM 1AB, 12AB
CS 1, 30
ECON 20
MATH 3AB or MATH 3A and (MATH 10 or PSYC 10)

B.A. Criminology, Law and Society

The Department of Criminology, Law and Society focuses first on the manifestations of criminal behavior and the methods for controlling that behavior, and second, on the relationships and interactions between social process and legal systems.

Lower-division requirements

ENV 1
MATH 10 or PSYC 10
PSYC 1, 2
SOC 1

B.A. Environmental Analysis and Design

The Department of Environmental Health, Science and Policy are concerned with the interactions between the physical and social environment and human health and behavior.
