- a. Teaching Tuesday on December 7th led by Justine
18. Game Development Club
- a. Conducted an art workshop on developing character designs based on certain themes on 11/5.
  - b. Collaborated with members to make characters based on the theme, "Outer Space" on Aggie.io.
19. Google Developer Student Club
- a. No Report
20. Green Team
- a. We had a club meeting on November 15th, and talked about waste streams in Japan, India, and Russia. We watched a short video about each country's waste system. Japan has very strict recycling laws, and waste laws since people live on small islands. In India, part of the community has very strict composting laws in order to create energy sources( gas). In Russia, new generations are learning how to recycle, and compost food waste.
  - b. We joined the city of Irvine project called Cool City Challenge. This project will officially start January, 2022 and end in May 2022. We joined this project as IVC;therefore, any IVC student can join this project with us! If you are interested Please contact us! Also, the City of Irvine was selected to receive \$1 million in grant funding to implement our climate planning efforts. The City of Irvine was chosen as one of three cities to participate in the Cool City Challenge to create a climate moonshot strategy — an ambitious, exploratory, and ground-breaking approach to reach communitywide, inclusive sustainability. The City has partnered with over
