DSPS Supports Student Veterans

Could you benefit from additional time on tests?

Do you struggle with taking notes in class?

Would you like practice using Proctorio?

Disabled Students Programs and Services (DSPS) can provide support to veterans who have a service-connected disability or a disability that was aggravated during active duty.

Accommodations are still being offered to support remote learning. All information about your participation in our program will remain confidential.

Examples of Services Include:

Testing

- Extended Time
- Distracted Reduced Environment
- Standing Breaks

Note Taking

- Voluntary Notetaker
- Audio Record Lectures
- Copies of Presentations

Alternative Media

- Conversion of textbooks and course material to e-text and audio files
