A. SENATE CABINET REPORTS:

- Senate President (Rebecca Beck)
 - AR-7123 Discussion
 - AR-7123 has been worked on over the past year and a half to make changes more inclusive. Wanted to present to the Senate before it goes to BPARC for faculty buy-in.
 - Changes include moving away from the blind drawing of the line where instead, the hiring committee can discuss everything. Also, supplemental advertising for job vacancies will be handled by HR. Finally, looking to move toward a progressive scoring ranking system.
 - Progressive scoring ranking system will match the process for hiring staff and administrators.
 - Ideally, would like to pass before the end of the academic year because if not, fall hires would need to go through the current process.
 -
 - Hiring Priority List Update - [Attachment](#)
 - Presented the updated list to the President and VPI who were thankful for the efforts of Academic Affairs in revising the document.
 - The list of FT faculty positions no longer needs to be approved by the Board of Trustees. Instead, it is sent straight to Human Resources.

- IVC's research office is currently running the numbers and will have a list of potential FT faculty hires by our May 16 Representative Council meeting.
 - If the state deficit factor is not applied, IVC will be under 11 FT faculty. However, the exact number we may need to hire is still unclear.
- Senate Vice President of Equity (Henry Carnie)
 - PAC DEIA – Next meeting May 6
 - SSEC (Student Success Equity Council) – Next meeting May 14.

 - Redacting applications change - After applications have been screened by HR, all applicant names will be withdrawn from view. Instead, HR will assign a number in place of the applicant name.
 - HR would like to try this approach for one year.
 - The list of names will be provided for the first time during the group faculty orientation.
 - Letters of recommendation are no longer part of the hiring process for FT faculty.
