VII. New Business

a. Catalog- Tuan Nguyen

- i. The headers in our degrees and certificates are inconsistent. We should explore a style guide to have consistency with the Guided Pathways maps.
- ii. Tiffany: Accomplishing this goal would require all degrees and certificates that need updates to go through the curriculum process. CE awards would require updated LMI, regional recommendation, and advisory board minutes. There are older awards that don't have documentation that would need them.
- iii. This topic will be discussed further.

VIII. Old Business

a. Five-year updates: Please be aware of the upcoming midterm report. Our goal is to significantly reduce the number of courses that need updates.

b. Credit for Prior Learning (CPL)

- i. Data shows CPL helps student complete degrees and certificates.

c. AA/AS GE Requirements

- i. The course lists in our local AA/AS degrees have been updated for 2021-2022.
- ii. Area 5 on the AS- Recommending name change to Cultural Diversity
 - 1. Should this area mirror the CSU requirements (limits breadth), or should we add more courses, giving students more options?
- iii. This will be discussed further. The goal is to topic packaged so it can be brought to school meetings.
