VI.   New Business
   a. Proposed Pilot General Education Workgroup
      i. Rick Boone: The Academic Senate approved the investigation on whether there is a need for a GE work group at IVC. The work group would be separate from the curriculum committee, and it could make recommendations. The work group chair would be compensated.
      ii. Judith Benavidez: Would each school have a representative? It would defeat the purpose of a GE work group if each school was not represented.
      iii. Traci Fahimi: This work group would overlap PAC-DEI and our Guided Pathways completion teams. Our completion teams are compensated.
         1. Brandee Idleman: Agreed; our completion teams are doing some of this work. The great thing about completion teams is that it uses an inquiry-action model, so the teams are highly flexible.

VII.   Old Business
   a. Update on Five-Year Updates
      i. The deadline to make the Spring 2023 catalog (addendum) has passed. Any proposals submitted now will be eligible for the 2023-2024 Catalog (published in March 2023).

   b. b. Five-Year Updates – Carrot & Stick
      i. Rick Boone: Thank you all for nudging your schools to update courses. We should try to foster positivity so faculty will be encouraged to attempt the revisions.

VIII.   Committee Training & Review of Curriculum

IX.   Adjournment
